

## CBD Clinic

- Level 1: \$22.50  
Pinpoints and targets pain nerves for fast acting relief from discomfort and numbs pain away. Use anywhere on the body where you may be experiencing mild pain to restore soothing and relaxing comfort in a non-greasy formulation.  
Contains: CBD-rich hemp extract (Charlotte's Web® cannabidiol) and 4% Lidocaine
- Level 2: \$31.50  
Provides pain relief for temporary, mild-to-moderate aches and pains that have been isolated in the muscles and joints. For uncomfortable, non-debilitating pain. Soothe those nagging symptoms for massaging relief where you hurt.  
Contains: CBD-rich hemp extract (Charlotte's Web® cannabidiol), 3% Camphor, and Arnica Extract
- Level 3: \$40.50  
Increase blood flow to areas where you are experiencing moderate discomfort. Penetrates deeply to target the source of your muscle and joint irritation. Absorbs quickly and easily to end the tenderness experienced with common muscle and joint pain.  
Contains: CBD-rich hemp extract (Charlotte's Web® cannabidiol) and 4% Menthol
- Level 4: \$49.50  
Penetrates deep through tissue to deliver relief directly to painful muscles and joints by reducing swelling and inflammation. This ointment provides hours of relief by increasing blood flow and circulation to the affected area.  
Contains: CBD-rich hemp extract (Charlotte's Web® cannabidiol), 7% Menthol, 5% Camphor
- Level 5: \$81.00  
Helps restore range of motion and the mobility. A perfect pre- and post-workout solution for hours of relief. This ointment helps to speed recovery for fatigued and painful joints and muscles.  
Contains: CBD-rich hemp extract (Charlotte's Web® cannabidiol), 16% Menthol, 11% Camphor
